

PETS & LOCAL KENNELS

In keeping with Air Force policy, and to guarantee the health, welfare, and safety of our guests, pets of any kind are not allowed in any lodging quarters, including TLFs. We do have 4 "pet-friendly" TLF units available - these are frequently booked far in advance. If we don't have the designated pet-friendly TLF units available, pets will have to be boarded. This list of local kennels is provided to assist our guests in locating temporary lodging for their pets during their stay. Settlements for damages to property and/or cleaning expenses will be assessed should the "no pets" policy be disregarded.

* - Denotes kennels that may house pets during disasters (hurricane, tropical storm, etc.).
Please call ahead to avoid any confusion concerning operating hours and services provided.
