OPEN LETTER TO GATOR LAKES PATRONS

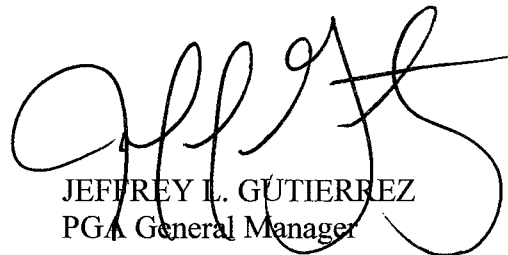

FROM: 1 FSS/FSCG

SUBJECT: New Rate Plans

I am excited to announce the introduction of new rate plans for our Annual Pass Holders. The current system has some great attributes, however it lacked the ability for you to be in control. We hope that you find the new plans are as unique as you are and flexible to fit your needs. More importantly we hope that you can find a plan that fits your budget. As we transition into this new rate structure we expect questions, comments and concerns. Please take the time to visit with any of our employees, as we are here to help.

Please visit www.myhurlburt.com and click on golf. Follow that link and download the brochure for all the rates.

Thank you in advance for all your support.
