

ON PREMISE CATERED FOOD RELEASE FORM

As a member of an Air Force Club hosting a special function, you have the benefit of receiving food items remaining from your special function. In order to ensure you receive food of the highest quality and to ensure your safety, items that may create a potential health risk will not be included.

Based on National Food Safety Codes, these include products containing fish/shellfish (cooked/uncooked), mayonnaise based products, eggs, and dairy. In addition, other products of questionable quality or safety, as determined by the club staff, may be removed from your request in order to maintain food quality standards and ensure your safety.

All remaining foods selected will be wrapped and packaged to allow for transport. A nominal fee may be assessed for requests requiring extensive preparation for packaging and time needed to do so. Once received, we recommend that these food items will be transported and promptly stored in a safe and timely manner (below 41 degrees or above 141 degrees) to prevent food borne illness.

Your signature indicates your acceptance of all requested items in their good and safe condition and your responsibility for their safe transport, storage and re-use.

We are proud and happy to be serving your needs and honored to have the opportunity to serve your guests.

RELEASE OF LIABILITY STATEMENT

I understand the terms and conditions of accepting the prepared food items from my special function. I acknowledge receiving the items in a good and safe condition and hereby release the Club of all liability and accept full responsibility for all food products as indicated by my signature below.
