

Ceramics & Multi-Crafts

"The Crafters Place"

We offer a great space for all crafters groups to get together to work on projects and visit while eliminating the mess at home on your dining room table or office/study. Call to schedule a time. Currently offered free of charge.

Sewing Room

We have a separate room with four beautiful sewing machines and space to work.

Ceramics Room

Choice of any molds available. Small fees for pouring and firing. Greenware and bisqueware for sale. Potters wheel available for use.
