### Be Bear Aware!

- Never feed or attempt to feed the bears
- Outside housekeeping is critical. Proper storage or securing of garbage and other bear attractants such as pet food, birdseed or dirty barbecue grills is a proven method for discouraging bears.
- Never approach a bear and never run from a bear.
- If the bear will not leave the area, get inside a car, home or a building.
- During a close encounter with a bear, remain standing upright, avoid direct eye contact and back up slowly.
- If the bear climbs a tree, contact Security Forces at 884-7777 or the Environmental Flight 884-4651.
