Dear Parents,

It is our pleasure to serve youth ages: 9 to 18 and still in High School. Our Youth Center is a Boys and Girls Club of America facility and has 4-H chartered clubs as well.

We offer a wide variety of safe, enriching and FUN opportunities for youth in a supervised environment.

To participate in the Open Recreation and Teen program eligible families, ie., youth of active duty/retired military or civilian government employees must fill out a registration packet, shot record with current flu shot and pay \$75 per year and \$5 for early release days. Parents may register for Sports, Open Recreation and Teen programs between 6:30am-5pm, Monday-Friday.

GREAT FUTURES START HERE.
