

Golf is a game for all people. Whether you are a beginner, intermediate or experienced player, Gator Lakes Golf Course offers a program for you. Each year the staff at Gator Lakes introduces new programs aimed at helping golfers enhance their enjoyment of the game and to introduce new players to the world of golf. Whether your goal is to break 80, or learn what a Bogey is; Gator Lakes can help. This brochure is intended to introduce you to our programs.

The following dress code applies to the entire golf course complex and all patrons must be appropriately dressed at all times. The staff reserve the right to determine proper attire. Shirts with sleeves and shoes are required at all times. The following items are prohibited: Tank tops, (sleeveless golf shirts are permitted for ladies), playing without a shirt, bathing suits, gym/jogging shorts, halters, midriff exposing shirts, athletic jerseys, shoes with unusually hard rubber outsoles, hard cleats, shoes with heels and wearing any part of the military uniform, (wearing the uniform is permitted on the practice areas).

Like any business Gator Lakes is constantly changing and evolving to meet the needs of our customers. You can find information about course happenings at the golf shop at MyHurlburt.com or our Facebook page. As always, we welcome your comments. If you have an idea of a program you would like to participate in or would like to make a suggestion to make your golfing experience better, please share it with the golf shop staff or fill out a comment card on your next visit.

Gator Lakes is your facility and we encourage you to use it and help mold it into a facility that you will be proud to call your home course.

GOLF 4 KIDSSM

Every summer we welcome the future of golf out to the links for instruction, etiquette training and tournaments. Each GOLF 4 KIDSSM clinic is composed of 4 sessions and a graduation scramble. The junior golfers that participate are exposed to all aspects of the golf course, are given instruction on the game and participate in skill challenges to hone their abilities. GOLF 4 KIDSSM is an affordable fun way to be introduced to a game that will give back to you for a lifetime. This year's program starts at just \$49. The program is open to all Junior Golfers ages 6-17.

GET GOLF READY

GET GOLF READY is an instructional program for adults who are looking to start playing or for people interested in learning more about a game they are already familiar with. The program is designed to provide basic instruction on all aspects of the game, provide information about golf etiquette and get golfers comfortable coming to the golf course. In GET GOLF READY you will learn everything from what a pitching wedge is, to how to book a tee time. GET GOLF READY is composed of five one and a half hour sessions. Four of those sessions are dedicated to instruction and etiquette and the fifth is an on course playing experience. GET GOLF READY also offers reunion events each month for the participants to get together and play golf with their instructors and continue their growth as golfers.
