

Dear Parents,

It is our pleasure to serve your School Age Care (SAC) youth ages 5 to 12 years. Youth Programs is a Boys and Girls Clubs of America facility and a chartered 4-H Club.

The Hurlburt SAC before and after school program, designed for children in grades K-7, complements the education system with fun, exciting and innovative programming.

The SAC is designed to encourage growth, socialization and learning in an environment conducive to your child's development. Activity Rooms are situated into "interest areas" incorporating dramatic play, arts & crafts, science, outdoor classroom, outdoor nature skills, computer, library and literacy appealing to your child's interest.

Our dedicated and professional staff work continually to challenge the children with new and thrilling activities both indoors and out. Our goal is to serve our military personnel and civilian employees by providing a caring, positive environment for your children.

We look forward to welcoming your child into our program.
